

C556 Standard Cable Lockout Device 2 m (6 ft.)

Seite 1 von 2

IN NEED OF A SIMPLE APPROACH?

The Standard Cable Lockouts are suitable for securing all items that do not demand a customized solution.

The cable can be pulled through either a hand lever or a rotating wheel in a lasso-like manner, wrapped around a counterpoint, tightened, and secured to the body loop.

Technologies

- Intuitive design for self-explanatory application
- Isolated, exchangeable metal cable in different lengths
- Holds up to 6 padlocks

Use and application

- Universal lockout device for locking out different energy sources during maintenance

Variants

- C553: Length 3"
- C556: Length 6"
- C559: Length 9"
- C565: Length 15"
