

Surface-mounted housing with counterpart for frame mounting

Art.-Nr. AZZU10055

Seite 1 von 1

Surface-mounted housing with counterpart especially for mounting the AZSE10100 and AZSE10000 locking element in the frame if it is not possible to mount the locking element in the door frame. The locking element can thus be mounted directly in the frame when the door opens to the outside.

Technologies

- especially for frame mounting if mounting the locking element in the door frame is not possible.
