

Pole Adapter

Art.-Nr. TVAC31410

Seite 1 von 1

Using the pole mount, selected tube cameras (TVIP91600, TVIP92600, TVIP92610) can be attached in inaccessible places or perfectly positioned on high masts as overview cameras. The cameras are screwed on to the mount with the installation box TVAC31390, with the mount in turn easily installed on masts with a diameter of 130-165 mm.

Technologies

- Can only be used in combination with TVAC31390
- For attaching to poles and pipes
- For poles with a diameter of 130–165 mm
